S.S.S. BOARD, PUNJAB
ਵਣ ਕੰਪਲੈਕਸ, ਸੈਕਟਰ-68 ਮੋਹਾਲੀ

ਨੰਬਰ 1/45/2018-2ਅ/ 1561

ਮਿਤੀ, ਮੋਹਾਲੀ: 16/8/18

ਜਨਤਕ ਨੋਟਿਸ

ਅਧੀਨ ਸੇਵਾਵਾਂ ਚੋਣ ਬੋਰਡ, ਪੰਜਾਬ ਵੱਲੋਂ ਇਸ਼ਤਿਹਾਰ ਨੰਬਰ 04/2016 ਅਤੇ 03/2016 ਦੀ ਭਰਤੀ ਸਬੰਧੀ ਅੰਗਰੇਜੀ ਅਤੇ ਪੰਜਾਬੀ ਦਾ ਟਾਈਪਿੰਗ ਟੈਸਟ ਮਿਤੀ 24 ਅਗਸਤ, 2018 ਤੋਂ ਮਿਤੀ 31 ਅਗਸਤ, 2018 ਤੱਕ ਲਿਆ ਜਾਣਾ ਹੈ। ਇਸ ਟਾਈਪਿੰਗ ਟੈਸਟ ਸਬੰਧੀ ਉਮੀਦਵਾਰਾਂ ਵੱਲੋਂ ਵੱਖ-ਵੱਖ ਮੁੱਦਿਆਂ ਉੱਤੇ ਸਥਿਤੀ ਸਪਸ਼ਟ ਕਰਨ ਲਈ ਪ੍ਰਤੀਬੇਨਤੀਆਂ ਪ੍ਰਾਪਤ ਹੋਈਆਂ ਹਨ। ਇਨ੍ਹਾਂ ਪ੍ਰਤੀਬੇਨਤੀਆਂ ਵਿੱਚ ਟਾਈਪਿੰਗ ਟੈਸਟ ਸਬੰਧੀ ਉਠਾਏ ਗਏ ਮੁੱਦਿਆਂ ਸਬੰਧੀ ਹੇਠ ਦਰਸਾਏ ਅਨੁਸਾਰ ਸਥਿਤੀ ਸਪਸ਼ਟ ਕੀਤੀ ਜਾਂਦੀ ਹੈ:-

ਮੁੱਦਾ ਨੰਬਰ 1:- As per point no. 2 & 3 of Typing speed related instructions, each chunk consists of 32-34 words and candidate have to finish all 10 chunks to eligible for clearing the test. So it will consist of at least 1600 characters (32 words * 10 chunks * 5 characters per word), but as per rule, only 1500 characters are enough.

ਸਪਸ਼ਟੀਕਰਨ:- Its obvious, if a candidate types say only 9 chunks, then the number of characters will be less than 1500, so 10 chunks have to be typed to have the count more than 1500. That's why 10 chunks have to be typed.

ਮੁੱਦਾ ਨੰਬਰ 2:- If a word "University" will be typed as "Unive rsity", whether it will be a spacing mistake (2.5 characters) or a word mistake (5 characters).

ਸਪਸ਼ਟੀਕਰਨ:- Spacing mistake

ਮੁੱਦਾ ਨੰਬਰ 3:- Is there a limit set for Gurmukhi symbol for each para. Many of the Special symbols of Gurmukhi is typed using Alt+Numeric Characters, which consists of a combination of 3 to 5 keystrokes. e.g. to type " " one has to press Alt+0147, for ½, have to press Alt+0189. Hence, a para having 10 symbols where another para has 2 symbols, then there will be a difference of 20 to 30 between the number of keystrokes to be pressed to type a para, which will affect the uniformity of the test.

Also specify all the symbols which can be used in the test because there are 150+ special characters and to type most of them, one has to press 2 to 4 key-strokes, it is not possible to remember all of them at once and rarely used in routine work.

ਸਪਸ਼ਟੀਕਰਨ:- The test is character based and not keystroke based. So we are only counting the characters and not keystrokes. So 'S' and 's' are treated as single characters instead of two keystrokes for 'S' (Shift+S) and single keystroke for 's'. Besides the Gurmukhi and English characters, the Gurmukhi and Roman numerals and common punctuation marks present on the standard QWERTY keyboard will form the text for typing.

ਮੁੱਦਾ ਨੰਬਰ 4:- As per mentioned in point no. 8 in the notification regarding instructions, some of the keys which are not relevant to the typing test software will not be available, you are requested to confirm that there are more than one options to type the same character using different keystrokes. e.g. ਯੁ can be typed as h+d+j and also can be typed using h+#. Similarly, ਜੋ can be typed using Alt Gr (Right Alter key)+p as well as using Ctrl+Alt (Left Alter key)+p. So, will all the key combinations work and if not, then which of them will work for each specific character.

ਸਪਸ਼ਟੀਕਰਨ:- As long as the character is typed correctly and displayed properly, it is does not matter which key combination is used for typing it!

ਮੁੱਦਾ ਨੰਬਰ 5:- After typing each chunk, will space be there and candidates have to press Space + Enter/Down arrow key at end of chunk to move to next chunk or there will not be a space at the end of the chunk and just Enter will be enough.

ਸਪਸ਼ਟੀਕਰਨ:- Candidate has to press just Enter/Down arrow key at end of chunk to move to next chunk. Extra space typed at end of the chunk of the text will not be considered as error and ignored.

ਮੁੱਦਾ ਨੰਬਰ 6 :- Are the keyboards of the same brand, age, having same key-sizes, model etc. and are tested to perform; as it is seen in previous exams candidates have faced this problem at a very large scale.

ਸਪਸ਼ਟੀਕਰਨ:- Care is being taken that the keyboards are of same brand and age, still if there is any issue with some keyboard, provision for extra keyboard has been made.

ਮੁੱਦਾ ਨੰਬਰ 7:- It is requested to provide at-least 2-3 paras of 300 words as per new guidelines for each Punjabi and English having the time limit of 10 minutes, so that the candidates will be very clear about the software and its working and can prepare them as per the exact functioning of the software.

ਸਪਸ਼ਟੀਕਰਨ:- We shall be uploading demo of the software, which will provide the candidates with idea about the software. The demo software has text of around 100 words.
